

Hazardous Goods Awareness Managers 1/2 Day (4 Hours) Valid for 5 years

This Hazardous Goods Awareness Managers course is delivered over 1/2 day and is designed to help employers meet their obligation to all Staff under ADR Regulations and HSE Guidance for the transport of hazardous goods in the scope of ADR and out of scope in Limited Quantities, Excepted Quantities and Small Load Exemption by road.

During the course, students will develop the skills and knowledge needed to attain a Hazardous Goods Awareness Manager's Qualification. The course involves 1/2 day of input and is suitable for all managers involved in the Loading, Unloading, Driving, Dispatching, and Managing road transport deliveries of out-of-scope ADR goods.

HTS Instructors are all very experienced ADR and DGSA practitioners with many years of experience in Industrial, Transport, Commercial, and Distribution of Hazardous Goods.
